ABOUT PALOMAR

Founded in 2014, Palomar is an innovative specialty insurer serving residential and commercial clients in five product categories: Earthquake, Inland Marine and Other Property, Casualty, Fronting and Crop.

We are a publicly traded company on the Nasdaq Stock Exchange (NASDAQ: PLMR) with a financial strength rating of “A” (Excellent) from AM Best Company.

APPETITE

Line agnostic, we partner with talented underwriters and specialized program administrators who have demonstrated profitable performance regardless of market conditions. If you have a strong underwriting thesis, expertise in a niche segment, and a track record of results, we want to talk.

WHAT WE LOOK FOR

- Strong underwriting discipline
- Clear differentiators and niche expertise
- Transparent data, clean reporting, and operational excellence
- Sustainable, profitable growth
- Long-term alignment and partnership mentality
